FAMILY TIME TO JOIN OUR COMMUNITY

If you want to go far, go together..

On Saturday 3rd December BCA hosted a highly successful Christmas Charity Fair, the first time we have ever hosted a large-scale community event. Apart from all the great activities, and the wonderful arts and crafts made by the students, we were fortunate indeed to have several memorable live music and dance performances. Finally an exciting grand raffle with amazing prizes. It was a great opportunity for all of us to socialise on a relaxing Saturday morning with no time pressure, meeting people who we don't see so often. The event has raised a very significant amount of money for the good causes of our charity partners, UNICEF Andorra and Patronat de Dames de Meritxell, who co-organised the event with the school, and worked relentlessly hard to encourage the strong level of action and support that we saw. A heartfelt thank you to all those who supported the event, by organising, volunteering or just coming along.

We are now thinking ahead to the next event, but these pictures tell the story of what we recently achieved together.
